THOMAS CARR HOWE HIGH SCHOOL

THE 1949 HILLTOPPER

RECORDING OUR BIG MOMENTS AND LITTLE EVENTS, OUR
CLASSES AND CLASSMATES, OUR SPORTS AND ACTIVITIES,
ALL OF WHICH MADE OUR YEAR SO WORTH REMEMBERING

BEGINNING OUR SECOND DECADE . . .

As 1,243 students and 62 teachers entered the welcoming doors of Thomas Carr Howe High School in September, 1948, our second decade began, and in January, our enrollment increased with the addition of 110 freshmen.

Little everyday happenings that fill our lives cannot be forgotten; we thrive on them. Hours are crammed with classes, school clubs, and the thrill of our formal dances. The Pleasant Run Revue, that "go get 'em" feeling of the sectionals, and the breathless anticipation of the May

Pageant are high spots in our year. To us Howe's crest (upper left) symbolizes all of these, plus our traditions and our aims.

Although the precious moments of our school life are soon gone, our school spirit lingers on. Within these pages are recorded the big and little events which made this year so memorable. Join us as we recall our clubs and activities on page 17; our sports on page 35; and our classmates on page 55.

On September 7, textbooks began to fill up the empty spaces in our lockers—and our lives, and the Halls of Howe came to life again. We spent moments between classes in a quick gab-fest or a mad dash, via the crowded stairways, to that most popular spot—the cafeteria.

Out the door, across the walk, a hop, skip, and a jump over that mud puddle, and here we are—beside our six-cylinder chariot awaiting us in the parking lot. With a quick shove—and a prayer—we head for home or the nearest coke stand.

One of the little known spots, the boiler room, is a maze of pipes, big machines, and little gadgets. A long, steep stairway leads down into the mysterious realm of mechanisms which gobble up approximately eight tons of coal on a winter day.

Assembly day, and to the accompaniment of the band, humble freshmen march toward their shelves on the wall, while noble seniors walk proudly forth to the front row seats. Underclassmen eagerly await the day when these honored seats can be called their own.

Aromas of tantalizing concoctions drift not only from the cafeteria, but also from Room 32. Members of this Foods I class, in learning to serve an appetizing breakfast, are demonstrating their belief in the saying, "The way to a man's heart is through his stomach."

Here Mr. E. A. Patterson unfolds the mysteries of printing and typesetting to his class. Under his direction, student printers are responsible for report cards, athletic programs, and many other printed forms used at Howe.

"a;sldkfjghfdksla;" About 324 Howeites know that this phrase goes with the steady click-clack of typewriters in Room 223. The Irvington Lions Club this year presented plaques for recognition of students attaining high honors in shorthand and typing.

Amid the smell of formaldehyde and boxes of insect collections, these Howeites attempt to study biology. Armed with butterfly nets and bottles of carbon tetrachloride, students use true Sherlock Holmes technique in their pursuit of the lowly bug.

Junior Norman Rockwells are produced in Howe's award winning Commercial Art class. These students, under the guidance of Mrs. Loreen DeWaard, have received more keys from the Scholastic State Art Exhibits than any other city school.

Students here are trying to master the principles of Algebra III with the aid of fractions, negative exponents, and quadratic equations. These "whiz kids" can often be seen in the halls totin' their logarithm tables in a brave effort to complete the day's homework.

Ailments ranging from mosquito bites to earaches are treated by Miss Celia Smith, school nurse. 'Tis also rumored that occasionally visitors to the clinic are suffering from a mild form of sleeping sickness caused by extreme mental anguish during classes.

Chemistry III, qualitative analysis, takes an active mind and a weak sense of smell according to these experts. Between analyses, the class perches on the swinging swivel seats in Room 231 while Mr. Floyd Jeffries leads discussions.

"Cuando la noche llego," sings the Spanish V and VI class of Miss Mary E. Thumma. Group singing of Spanish folk songs forms a major part of these students' work. In February, our Spanish-speaking Howites demonstrated their abilities over radio station WISH.

Book-lined walls of the library seem conducive to learning in this busy study hall, for some ambitious people actually accomplish something between gossip and clock watching. Students may also browse through current magazines or select books for reading pleasure.

LOWER LEFT—Among Howe's traditions is the election of queens for outstanding events. Marmi Kingsbury (center), Track Queen, with her court: Janice Sampson, Betty Jo Williams, Jennie Konold, and Jackie Abraham, was crowned by Carl Spiess, high point track team member, on April 16, 1948.

UPPER LEFT—Football Queen, Nina Ferguson (seated in center), was honored at the annual homecoming game on October 1. Her attendants were: (seated) Beverly Toothman and Jennie Konold, (standing) Janet Callon, Janet Comly, Joan Morell, Sara Spradling, and Marilyn Morrison.

ABOVE—Julia Ann Moore (center), Queen of Violet Hill, reigned at Howe's tenth May Pageant on May 18, 1948. Her attendants were: Jennie Konold, Doris Hess, Joyce Farmer, and Mary Torrence.

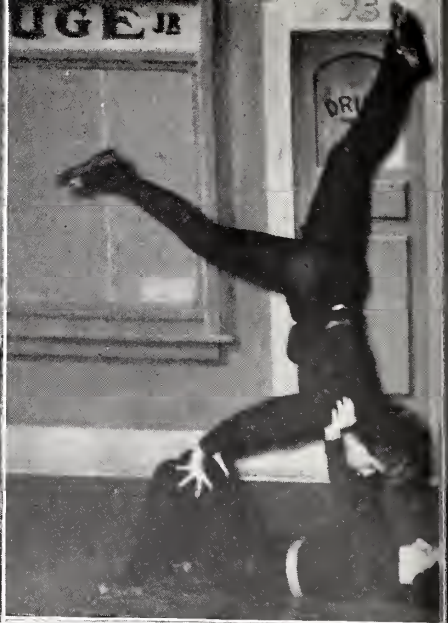

ABOVE—The May Pageant, held at night in observance of our tenth birthday, featured school clubs and organizations. Howeites are relaxing for a few moments in the gym before starting their march in the Parade of Achievement.

UPPER RIGHT—Brown Boy Don Daugherty (standing left) and Golden Girl Jackie Abraham (seated left) were crowned at the ninth annual Brown and Gold Dance in October. Other candidates were: (seated) Donna Ortel, Pat Warner, Janice Sampson, and (standing) Jim Baker, Larry McKinsey, and Dick Ettinger.

LEFT—Hi-Y Sweetheart Janice Sampson reigned at the annual Hi-Y Sweetheart Dance, held in February. The candidates were: Joyce Farmer, Joan Miller, Beverly Clendenin, Janice Sampson, and Vera Davis.

OPPOSITE—The Pleasant Run Revue, held biennially, featured more than 100 pupils in its 31 acts. "Varieties of the Past," "Starlight Serenade," and "Mississippi Mud" were the three main divisions in the Revue. The music was student arranged and conducted by Donn Mills under the direction of Mr. Robert Burford.

ABOVE—Richard Wickliff, Nationalist candidate for governor, congratulates his victorious opponent, Jerry Logsdon, Federalist, after the Federalists made a clean sweep in the November 11 election. The mock election, held annually since 1940, is open to all students of Social Studies. The candidates are nominated from the government classes.

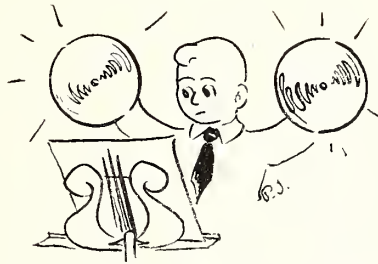

Julia Ann Moore was selected as Howe's "good citizen" in a contest sponsored by the Indiana Society of the Daughters of the American Revolution. One of three candidates from the senior class, Julia was selected by the faculty on the basis of outstanding qualifications of leadership, dependability, and patriotism.

James Baker, representing the Spirit of the Tower, reviewed Howe's achievements at the May Pageant. According to legend, the Philosopher of the Tower comes each year to report the progress of the school to the Queen of Violet Hill.

Norma Stultz and Robert Bohn were winners of the American Legion Good Citizenship Awards. These awards are given to a junior girl and boy for outstanding scholarship, service, and leadership.

ACTIVITIES SPELL F—U—N

Participating in the activities of nineteen school-sponsored clubs and organizations occupies some of our biggest moments.

Differing from these is the Student Activities Board, the representative body of the students. Barbara Pletcher, secretary, and Dick Brant, senior representative, are displaying the Howe flag to their fellow officers. This flag, the gift

of the Class of 1942, was presented at an assembly in November.

Other cabinet members are: (left to right) Betty Payton, junior representative; Sara Spradling, freshmen representative; Janet Callon, sophomore representative; Jennie Konold, vice-president; Tom Johns, assistant secretary; Mike Wagoner, president; and Mary Torrence, treasurer.

MUSIC, MAESTRO!

One of the outstanding organizations of the school is the Howe Choir, under the direction of Mr. Frank S. Watkins. The 70 students enrolled in the choir were selected from the boys' and girls' glee clubs.

During the year they sang for Open House, P.-T. A. programs, Christmas assembly program, Music Festival, Senior Vespers, and Commencement. Outside performances included programs at Crispus Attucks and local churches, a Christmas program on the Circle, and the Easter Sunrise Service on the Circle.

JUNIOR TOOTERS AND GRACE NOTES

The B Band is the organization which, under the direction of Mr. Robert Burford, trains less experienced pupils for the A Band.

Helping to fill in the ranks of the marching A Band is a duty they always perform willingly. They also play for Open House and help with the Band's "Evening of Music."

It is the ambition of every one of these musicians to be able to say someday, "My uniform is number ——. You should see how it fits, but I like it anyway."

Those sweet-voiced ensembles that you heard in the Pleasant Run Revue were the Howe Octets. The girls sang "I Dream of You" with Julia Moore as soloist. "I've Been Working on the Railroad" was sung by the boys. Both groups also sang in the May Music Festival and the "Evening of Music."

Directed by Mr. Frank Watkins, they have sung for Community Fund dinners, church organizations, the Veterans' Hospital, several lodge groups, and the Child Conservation League.

HERE COMES THE BAND!

"Here comes the band!" were the familiar words heard as the band came out onto the field at the home football games. With their 48 marching pieces, they made quite a showing this year.

The band's "Evening of Music" was given again this year in March. Other school functions for which the band played were their own assembly program, other assemblies, for which they often played a special number, Open House, the May Pageant, and Commencement.

Patients in the Cold Springs Road Veterans' Hospital and Billing's Hospital were entertained by the band. In order to create an incentive for younger school children to study instruments, the band members played at several neighborhood grade schools. Among some of their featured numbers were "Repartee" by David Bennett, with Barbara Weesner as piano soloist, and "Andante Cantabile" by Beethoven.

From the first assembly program to Commencement, the boys and girls in the Howe band served the school to the best of their ability and worked to keep up Howe's reputation for good musicianship.

"DEADLINE TONIGHT!" ECHOES THROUGH TOWER

Open the door that is marked "HILLTOPPER—HOWE TOWER OFFICE," climb the twelve stairs to the landing, mount six more, and enter the room where the TOWER staff is busy working. At any time during the day, one is able to find a staff member pecking out a story on the nearest typewriter.

Joan Hockersmith, editor-in-chief, and associate editor, Jennie Konold, had the responsibility of seeing that Howe had a TOWER to read every other Friday. Page editors Barbara Davis, Jackie Abraham,

Ann Fennell, and Dean Morrow planned and carried through the preparation of their respective pages.

Miss Ellen Kroll, sponsor, supervised and guided the TOWER staff during its tenth year of publication.

On "Beat Day" the heavy Tower door probably swings open more often than any other in the school. Each reporter, editorial writer, and feature writer comes up for his assignment and then leaves with his "nose for news" pointed straight ahead! From then on, everyone hurries to make the "deadline."

INFORMATION, PLEASE!

Howe's News Bureau is composed of members who also hold staff positions on the HOWE TOWER. Their job is to inform the city and East-side newspapers of the student news and coming activities at Howe.

News Bureau members for the first semester were: Barbara Davis, the **Indianapolis Star**; Jennie Konold and Don Franz, the **Indianapolis News**; Ann Fennell and Dean Morrow, the **Indianapolis Times**; Joan Hockersmith, **Irvingtonian** and **East-side Press**; and Jackie Abraham, **Indianapolis Herald**.

The second semester William Welch took Jennie Konold's place; Virginia Bruce took over Ann Fennell's job; and Judy Charnley covered all the community papers.

VER'S TENTH YEAR

After the writers have returned with their stories, the "copy" is copyread, names checked, ckayed by the editors, and sent to the printer. The copy returns in the form of galley proofs. These are proofread, cut up, and pasted onto the "dummy layout" forms as they will appear when printed.

TOWER members are not so hard at work that they cannot find time for a little recreation now and then. Together with the HILLTOPPER staff, they plan and give the annual Christmas and Spring Birthday parties for the staffs and Journalism classes. Also, many TOWER and HILLTOPPER staff members attend the Indiana High School Press Association at Franklin, and the Butler Journalism Field Day at Butler University.

THERE'S A LONG, LONG TRAIL A-WINDING

Climb up the winding staircase and end panting in the cloudy reaches of the HILLTOPPER room. There staff members prepared the book which you are now reading.

Work on the book began early in the spring—as soon as staff members had been appointed. Regular Monday staff meetings were held until such important items as the cover, general theme, and the new side binding were settled.

Early in the fall, the annual HILLTOPPER assembly was given, with a chorus line composed of the male members of the staff, and a vocal chorus made up of the girls of the staff. All the students were given hints as to what this masterpiece would be like, and then it was time for the business managers to get busy.

Subscriptions were sold under the leadership of Harold Crawford, business manager, and his assistant, Judy Wear. A student agent was appointed in each homeroom and everyone was given the opportunity to order a copy of the 1949 HILLTOPPER.

Two dances, the "Spring Swing" and the Brown and Gold, were given to help with the finances. Not that dancing was work, but decorating for the affairs certainly was not what one might consider an afternoon of leisure.

Anita Strahl was the first to start working with the homeroom pictures and identifications. All homeroom pictures had to be taken (and some retaken) after they had been planned. Anita then had the job of deciphering the handwriting of the many Howeites who were in a hurry when they wrote their "John Henry's."

Mike Wagoner and Carter Means had the headache of writing the copy for the sports section of the HILLTOPPER. All team pictures had to be scheduled and then the next job was trying to get team members to hold still while their pictures were taken. Correct schedules and records of the different sports also had to be obtained.

Paul Taylor and Marilyn Bowers, co-make-up editors, struggled over the proportions of pictures, and Paul had the extra worry and/or fun of drawing all the sketches. It has been rumored that several boxes of aspirin were used in producing that part of the "Topper."

Jo Ann Wood, senior editor, saw that all the lovely seniors had their smiling countenances pictured in *their* section of the book. Arrangements had to be made with the photographer as to when each senior was to have his or her picture taken. Later

forms were sent out on which were listed the activities of each senior during his years at Howe. These also had to be compiled.

Anne Moreland, club editor, and Joyce Mitzner, activities editor, had charge of planning pictures and writing copy for the activities section. For Anne, it was a constant battle to get sponsor and club together to have their picture taken. Then came another job of deciphering. Joyce was responsible for pictures and information about the musical organizations and publications.

Marilyn Cranston, editor, and Norma Stultz, associate editor, commanded the entire staff

and spent many afternoons acquiring gray hairs over the book. They were also in charge of introductory and division page copy.

Miss Ellen L. Kroll, adviser, was general chairman over everything and supervised the entire book.

The masterpiece was completed by March, and the juniors on the staff began preparing for the next year's book.

Our thanks go to Clarence E. Crippin and Son, Inc., printers; Loudermilk's-Ramos-Porter, photographer; Indianapolis Engraving Company; and Kingskraft Cover Company.

STAND UP AND CHEER

"A basket! A basket! We want a basket!" shouts the enthusiastic throng as the Howe team moves into action. Amid the screams, applause, and the vendor's cry of "Ice cream!" cheerleaders Mary Torrence, Vera Davis, and Rosemarie Mongelli (left to right) spur the crowd on to rafter-reaching yells. Such a scene brings memories of

confetti-throwing fun at games and that 7-8 a. m. wait in the bookstore for sectional tickets.

Athletics play a great part in our lives. From the first football game in the fall until the last baseball game in the spring, we follow the ups and downs of our teams. The girls have their own athletic association which sponsors gym meets and tournaments.

GRIDDERS TACTI

Grinding out five wins against three losses and two ties, Howe's gridders walloped their way to a third place in the city high school race.

Howe opened the season by winning a close battle from Tech's eleven. Coach Sam Kelley's "big boys" played a defensive first half, and Tech led, 7-0, at the half. The Golden boys wound up and let go in the second half when Leo Ahearn and Dick Merchant both galloped over the goal line for a total of 12 points. The final score read, Howe 12, Tech 7.

The Brown and Gold squeezed by Southport in the second game by a narrow margin, 13-12. The Cardinals chalked up two tallies in the first half. Ahearn of Howe sprinted forty-five yards to pay dirt in the second quarter, to make the score 12-6 at the half. As in the Tech game, Howe waited until the fourth period to retaliate. Ahearn scored again to tie the count at 12-all, and Merchant skittered over with the tie-breaking point.

In the third encounter, Howe lost to Manual.

LE THIRD PLACE IN CITY

The Southside school made their points in the first three quarters. The Hornets finally scored in the last quarter as Ahearn scampered across the marker from the 14 yard line. Merchant added the one pointer. Late in the quarter, Howe started to march again, but time ran out ten yards from the goal. The final score was Manual 14, Howe 7.

The Hornets captured their third win by downing Westfield, 27-0. This easy victory was initiated by Dick Ferguson who plunged over in the second quarter. Maintaining the upper hand in the second half, Howe's Jerry Logsdon plowed over twice, and Tom Stanley put two extras between the posts. Logsdon scored again late in the fourth on a spectacular 55 yard run from an interception, and Stanley again kicked the extra point.

Coach Kelley's boys romped over Ben Davis for their fourth triumph of the season.

BACK ROW — Dick Wickliff, Kenny Slifer, Ernie Phelps, Bill Stewart, Don Denniston, Mac Laetsch, Fred Espie, Bob Bohn, Dick Aichele, Frank Knox, Dick Merchant, John Vollmer, R. Eugene Cowell.

Howe racked up 13 points before the Giants got into the game. Ahearn scored first, followed minutes later by Frank Knox and Stanley, who converted the extra point. In the second period Logsdon went through the line for another six points, and Stanley sprinted for still another touchdown. Merchant bucked the line for an extra point. The stunned Giants recovered and took to the air for their initial TD. In the second half Ben Davis marched down the field and scored on a short pass for their last tally.

Tom Johns, winner of the most valuable player award.

Merchant of Howe scored on a long run, and Earl Lewis booted the extra point. The last quarter was scoreless, and the game ended with Howe triumphant, 33-12.

The Brown and Gold were handed their second defeat of the season by Frankfort, who topped Howe, 21-13. The "Hot Dogs" scored twice in the first half. Ahearn dashed off two long runs, and Merchant pushed over for one pointer. In the last quarter, Frankfort capitalized on a Howe fumble, scored, and made the extra point good, and time soon ran out.

Howe battled furiously with the Warren Central Warriors on the latter's field, but ended just "heap fagged out," as neither

squad pushed over the stripe for points.

Washington fell before the Irvingtonians this year. Merchant drove into the end zone for the first thrust into pay dirt. Lewis converted. The Westsiders made their tally during the second quarter. Howe's speedy Ahearn ripped around end for another TD, and Lewis again counted the extra point. The score as the gun sounded was Howe 14, Washington 6.

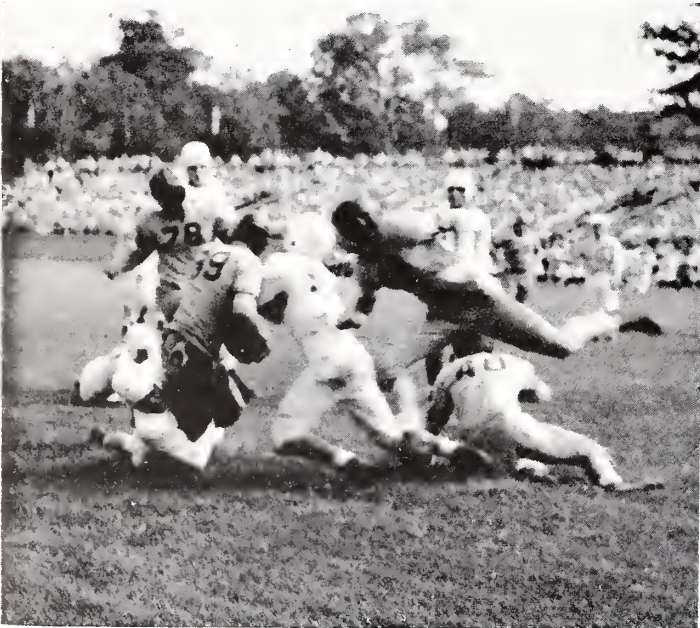

Another tie was recorded for the Hornets in their next to the last game of the season, with Crispus Attucks. Merchant filtered through the line, and Lewis booted the point to form

the Howe score. Attucks scored on a long run in the second quarter, and also made good their extra point. The final score read 7-7.

In a mud smearing contest at Broad Ripple, Howe was dealt a wet defeat. The Rockets, driving to finish a perfect season, dished out a 20-0 sousing in an equally hard driving rain. Ripple scored once in every quarter but the third.

The final standings of the scoring parade are as follows: Leo Ahearn, 48 points; Dick Merchant, 28; Jerry Logsdon, 24; Tom Stanley, 10; Frank Knox and Dick Ferguson, 6 each; and Earl Lewis, 4.

TOUGH SCHEDULE OF 17 GAMES

Swishing and dribbling out seven wins to eleven defeats, Howe's netmen wound up their season in seventh place in city standings. Five of the games lost were heartbreakers, because of close "shadings" by evenly matched but luckier teams. The boys were coached by Mr. Elwood Yeager.

The 1948-49 season opened on November 27 with a 39-37 defeat dished out by the Tech Greenclads. This game was typical of several which followed. However, in their second game, the Hornet hardwooders bested Washington by a slight margin, 44-42.

In the third game the Eastsiders were downed by Broad Ripple, 43-39. This battle was an evenly-matched and hard-fought one. The second victory of the season for the Brown and Gold was won at the expense of the Franklin five. As the final gun sounded, Howe led, 39-35.

Surprised in the last quarter by a rallying Ben Davis team, the Hornets were singled in an overtime game which was their third defeat, 57-56. In the Holiday Tourney, held at Tech on December 18, the Brown and Gold netmen met Ripple again and were thumped, 55-40.

ed the new year with a startling triumph over Greencastle, who was picked to win. The clicking Eastside team bettered the out-of-towners, 40-30. The Lawrence Central Bears kept up a steady margin over a rotating hot and cold Howe team and came out on top, 32-27.

Another heartbreaker for the Hornet five was staged at Columbus, when the Bulldogs shaded Howe, 50-49. The Attucks Tigers, enjoying a long winning streak, skinned over Howe, 42-33, in the tenth game of the season.

Shortridge found a greased-up Howe squad visiting them and managing to stay on top most of the game, which ended with the Blue Devils on the

underside of a 35-32 shaving. The Hornets lost their sting, however, when they got sat on, 58-42, by the Bloomington Panthers one week later.

Cathedral's Irish, maintaining their luck, won over a late rallying Hornet team, 47-42, on the former's court. The next evening, a fired-up Howe quintet won over a cold Garfield of Terre Haute five. The final score read, Howe 47—Garfield 40.

A hard-fighting Hornet team was on the long end of a 47-38 trouncing over Southport on the victor's court. Howe tasted another win when they "scalped" the Manual Redskins, 36-33. The last game on the regular

schedule turned out to be a lacing cooked up by the Hornets' eastside neighbor, Warren Central. The Warriors galloped off with a 60-45 victory on February 19.

In the 1949 Sectional, February 23-26, Howe was paired up with their bitterest rival—Broad Ripple, who had defeated Howe twice earlier in the season. The game was played on the second night of the tournament, February 24. The Hornets staged a last period rally, but the Rockets who stayed on top the whole game, staved it off to win, 52-47.

The five Hornet netmen who topped their teammates in tallying baskets were: Harry Stewart, who scored 202 points and played in

all 18 games of the season; Larry McKinsey, who followed him by swishing in a total of 128 for all games; Bob Piers, who pushed in 112 counters in all games to take third place scoring honors; Joe Pirtle, who plopped in a total of 91 markers for 18 games. Wilbur Zobbe, a newcomer to the Hornet quintet, played in only eleven games, but racked up a total of 87 points. As the gun sounded at the end of the sectional game, Howe netmen had chalked up 745 points while their opponents scored 785, giving the Brown and Gold a .388 average for the season.

LEFT—Joe Pirtle (34) leaps for a rebound in the Shortridge game.

MIDDLE—Larry McKinsey jostles with a Shortridge player.

RIGHT—Wilbur Zobbe (5) bounds into the air to gain the toss-up for Howe.

RESERVE BASKETBALL

Coach Wathen Leasor's reserve squad finished their season with five wins and nine losses. The Hornet squad was sluggish getting into action, losing to Tech in the opener and then to Washington and Broad Ripple. They downed the Franklin five to break into the win column.

The Reserves lost by a mere point in the Ben Davis and Washington games but racked up big scores over Greencastle and Lawrence Central.

Slumping into a bad losing streak the reserves lost to Columbus, Attucks, Shortridge, and Bloomington. They snapped out of it in their game with Cathedral, and after dropping one to Garfield, they stung Southport in their final game.

BACK ROW—Dave Fahrbach, Wilbur Zobbe, Russ LaPorte, Frank Hopper, Coach Wathen Leasor.

SECOND ROW—Bob Suhre, John Essex, Jim Hollenbeck, Bill Fox, Ken Whitaker.

FRONT ROW — Jim Hueston, Jack Callon, Don Davis, Ed Dwyer, Chuck McMullen.

FRESHMAN BASKETBALL

The frosh hardwooders, coached by Mr. E. F. Fisher, administered ten defeats to their opponents and were on the underside of the scoreboard only six times. They defeated Washington and the John Hope School twice, and Warren Central, Tech, Ben Davis, Broad Ripple, and Manual.

BACK ROW — Gordon Muesing, Mike Merchant, Bob Ware, Bill Stafford, Stephen Shirley, Coach E. F. Fisher.

HORNETS TAKE SECOND IN SECTIONAL; TWO N

Although they failed to place in the state track meet, Howe's Hornets enjoyed a very successful season. The runners, under Coach Ray Bowman, won four and lost three meets in regular season competition; they finished fourth in the City Meet; and finished second in the Sectional Meet held at Washington High School.

North Side of Fort Wayne, one of the state's top teams, was first on the list of the Hornets' opponents. It was an indoor meet and was easily won by the Fort Wayne outfit, 68-32. Howe improved greatly, for the next week the Hornets scored 73 1/3 points to defeat Bloomington, and Warren Central. Frank Knox put the shot for a distance of 49 feet 9 inches, which was a new record for Howe. The old record of 43 feet 9 inches was set by Jim Iverson in 1942.

The outdoor season opened with a triangular meet against Tech and Crispus Attucks. It was a very close meet all the way, with Tech winning the relays to edge out Howe.

Howe then proceeded to win three successive meets and lose one, to Broad Ripple, before the Sectionals. Howe compiled a good record in the Sectional as well as the City Meets. In the Sectional Meet they finished second to Washington, taking two firsts. Carl Spiess won the high hurdles in 16.2 seconds, and Bob Wood won the pole vault with a vault of 11 feet. The City Meet, in which Howe placed third, was highlighted by Bob Wood's vault of 11 feet 4 inches, which broke Harold Deitz' old mark of 10 feet 10 inches.

Letters and awards were distributed at the annual athletic banquet, held at the end of the season. The Don Clapp award, given to the athlete who has won eight inch letters in the most major sports, was given to John Edwards. The 400 Club Award for the most valuable team member was presented to Carl Spiess for the second successive year. The Dyer Award for the athlete with the best mental attitude was given to Don Brown.

Tech finished second with 41, and Broad Ripple scored 68 points to wind up in third place. Behind Wellman and Pierce for Howe were Dave Cook, who finished ninth, Leslie Swinehart, tenth, and Ronald Dougherty, sixteenth.

Howe was undefeated in dual competition throughout the season. Their first victory was an impressive 15-40 shut-out win over Lawrence Central. In that meet Howe runners finished in the first six

positions. Wellman and Pierce tied for first.

The next meet brought about one of the season's biggest upsets. Howe defeated an Anderson team that hadn't been beaten in fifteen years by the score of 26-29. This Anderson team went on to win the state championship. Johnny Stayton, Anderson's state champion for the last two years, came in first with a time of 9:39.9, but he was closely followed by Wellman, who had a time of 9:48, and Pierce, whose time was 9:58. Russell Smith, Anderson's half mile champ, was left behind the leaders in fifth place. The fast times were accounted for by the very fast course at Howe that day.

Battling against an extremely cold wind, Howe's harriers defeated a strong Warren Central team 18-37. Howe again showed its fine balance by landing the first four positions with Wellman again taking first place.

A Broad Ripple team, much weakened by the illness of Dave Rouse, the 1947 Indianapolis Sectional champion, was next shut out by the Hornets, 15-40. Howe took the first five positions. Although the course was very soft, Wellman's winning time was 9:58.

The last dual meet of the season was with Tech's Greenclads, the Sectional champions. In spite of prevailing damp weather, the Hornets scored a great moral victory as well as a running victory over the team which edged them out in the Sectional. It again was a bitterly fought battle with Howe emerging vic-

torious, 26-29. Wellman and Pierce took first and second, respectively, with Leslie Swinehart taking fourth, Dave Cook, eleventh, and Pete Alexander, twelfth.

The most disappointing meet of the year was the Sectional meet at Tech. Because of illness, Dave Cook couldn't run in the meet. This proved to be a bad blow to Howe, for the Hornets missed second place by only two points. Tech took first, with Washington second. Jack Wellman won first place, which enabled him to run in the state meet.

Jack was the only Howe runner to run in the state final. However, he brought glory to Howe by finishing in fourth place against the best runners in the state.

Howe's reserve and freshman team had only two meets during the season, but these meets helped to develop them for a good season next year. The first of these two meets was against Tech. Howe won the meet 17-38, and Howe runners finished in the first four positions. Fred Monschein took first, followed by Don Franz, Henry DeWitte and Dick Eubank.

The other meet was against the Continentals from Washington. The Continentals were superior to the Hornet squad and won, 23-32. Ed Dwyer, who finished second, was the only Howe runner to finish in the first five.

The banquet at the end of the season was an important part of the season, for at the banquet Dave Cook, senior, was named captain of the 1948 team.

ABOVE—Jack Wellman and Kent Pierce are shown holding the trophy symbolic of victory in the 1948 City Cross Country Meet. This was the second successive year Howe was able to accomplish this feat after finishing second four years in a row. Wellman took first in the meet and also fourth in the State Meet, while Pierce finished second in the City Meet. Both will be on the team again next year.

INTRAMURAL OFFERS VARIETY

INTRAMURALS

Track meets, basketball, and football are a few of many activities carried on in intramural sports. These events are open to all boys enrolled in physical education.

Perhaps the highlights of the entire intramural program are the spring track meets for upperclassmen and freshmen. Qualification tests are held before the meets to determine eligibility.

During the fall semester, physical education classes play intra-squad football games. At the end of each six weeks' period, the teams having the highest percentage of games won, have a tournament to determine the champion of all classes.

Winter months are reserved for basketball, and the same routine is followed as in football. Table tennis, badminton, and volleyball are other activities in which the classes engage.

BASEBALL'S HERE TO STAY

Howe's first season of baseball was a big success. The Hornets won seven games while losing five.

Bob Kaye led the Hornets in hitting with an average of .444. Joe Pirtle hit the only home run of the season for Howe. Gerald Vermillion led the team in triples with four. Kaye and Tom Stanley led the pitching staff; Kaye had three victories and one loss, while Stanley's record was two and two.

LINKSMEN TURN IN EXCELLENT RECORDS

Hornet linksmen wound up a highly successful season for 1948 by defeating every team in the state at least once. They slid into an easy second in state standings and dished out two defeats to the winner, Tech, which had played more games than Howe.

The turfmen swatted out first places in two tournaments, the Batesville Invitational and the spring City-County Tourney. The Hornets set a new four-man team score for Howe.

KNIGHTS OF THE GOLDEN "H"

Organized to promote and aid the Howe athletic program is the Lettermen's Club, sponsored by Athletic Director Samuel T. Kelley. Athletes, from the highly touted football star to the little renowned student manager, who have been awarded a block "H," are the members.

Besides participating in athletic events, the members also act as ushers at basketball games and officiate at track meets. During the holiday season, they, with the G. A. A., co-sponsor a Christmas dance, "The Winter Wonderland Dance," which is now a tradition at Howe.

The Lettermen's Club works to establish friendly relationships among former and present members of the club.

G. A. A. TRAINS FUTURE OLYM

"Hurrah!" "We won!" "Ooh, I just don't see how you can do all those things on the bars!" These are just a few of the many calls heard on the girls' side of the gym every Thursday afternoon. Activity meetings of the G. A. A. are held every Thursday, and business meetings are held the first and third Tuesdays of every month. These meetings are presided over by President Vera Davis,

Vice-President Norma Knarzer, Secretary Jo Ann Baur, and Treasurer Jan Close. All girls in Howe are inactive members of the Girls' Athletic Association, better known as G.A.A., upon enrollment in school, and all girls earning fifty or more points become active members.

Among the first activities is the Freshman Welcome Party in September for new 9B's. At Hallowe'en, the G.A.A. plays hostess to all members and former members with a Hallowe'en party, which, of course, is lots of fun

for all. On December 17, the Winter Wonderland Dance was held. This was co-sponsored with the Lettermen's Club. Donn Mills' Orchestra furnished the music for the event. In January, the club holds another Welcome Party for the newest freshmen girls. April 8, the annual G.A.A. Girls' Gym Meet was held, and in May the girls scheduled a track meet. Throughout the year different tournaments were held. Among them were the volleyball tournament, basketball, and table tennis tournaments. Six volleyball teams were chosen

in September, and games were played each Thursday. These tourneys are held in the same pattern as the state basketball sectionals. After eliminations, the title winning team was the "Popovers," with Mary Jo Reed the victorious captain. The same pattern is followed in the basketball tourney. Eight teams competed for the championship. The team emerging victorious was Jan Close's group.

At the end of the school year the annual G.A.A. banquet is held at which awards are given for G.A.A. and Yell Leaders' Club. Awards in G.A.A. are given for earning 50, 150, 300, and 500 points, the goal being a G.A.A. sweater as the highest award. Points may be earned by outside activities, G.A.A. committee memberships, placing and entering in the Gym Meet, and any tournament. Once you've joined, it's amazing how fast your record grows, for points are earned even for attending meetings.

Miss Barbara May and Mrs. Jean M. Taggart help the girls maintain the purpose of G.A.A., which is to stimulate interest in girls' health and physical activities and to promote high ideals.

UPPER PICTURE — There are many aching backs after touching toes twenty times, but the G.A.A. girls enjoy knowing that it helps keep trim figures.

FRIENDSHIPS MULTIPLIED BY FOUR

Our classes are enlivened by the good-natured fun we share with our teachers. We realize that the top rung in the educational ladder of success cannot be reached without their guidance and encouragement.

As well as subject matter, we remember the dark haired boy next to us who always begged a sheet of theme paper

and the "brainy" kids waving their hands maddeningly in answer to the teacher's queries.

Seniors (left to right), Pat McDonald, Dave Cook, Jane Keith, and Jim Baker, with their sponsor, Mrs. Betty Baker, are inspecting class pictures, remembrances of their final year.

MAN ABOUT SCHOOL

"Many men have been called to the high school principalship. Few have had the privilege of starting a new school in a community so eager and waiting as Irvington." Mr. Charles MacKay Sharp, being one of these few, has occupied the principalship during the first eleven years of Thomas Carr Howe High School.

After graduating from Wittenberg College in Springfield, Ohio, Mr. Sharp took postgraduate work at the universities of Chicago, Ohio, and Indiana. He later received his Master of Science degree from Butler University.

Mr. Sharp taught math and science at Rensselaer High School and soon became principal there. Coming to Indianapolis, he began teaching chemistry at Shortridge High School. World War I interrupted his career. On his return, he resumed teaching at Manual High School and later became vice-principal.

With the erection of Howe in the spring of 1938, Charles M. Sharp took the position of principal. Howe not only has increased in size under his capable leadership, but has also grown in stature in the community.

BACKSTAGE GENIES MANAGE SCHOOL AFFAIRS

Affairs of the school are supervised by the administrative staff. These capable workers undertake the daily routines included in the functions of every successful high school.

Mr. Clarence R. Clayton, vice-principal, undertakes the complicated task of issuing programs for all students. Mr. Thomas Stirling, our newest vice-principal, is also dean of boys and acts as freshman counselor.

Mrs. Mildred D. Loew is dean of girls. Be-

sides keeping the attendance records for the school, the deans see that all pupils are present or accounted for. They maintain discipline and enforce action when necessary.

Miss Virginia Childers, school secretary, aids in co-ordinating all the varied procedures of the office. One of her many duties is that of bookkeeping. Mrs. Mabel Burkart is assistant bookkeeper, but students know her best as manager of the Howe bookstore.

Mrs. Christianna Genrich, registrar, welcomes new students to the school, and Miss Marie Ochs, clerk, has the responsibility of preparing various office forms.

Mrs. Arla Hunt, cafeteria manager, oversees the preparation of food for teachers and the student body.

Mr. Roy Horton, engineer, keeps the school ever-ready to meet all occasions.

HOWE'S ART DEPARTMENT contributes beauty as well as service to the school. Students in commercial art make posters for advertising school affairs. This department also gives training in fundamental and fashion arts. Still another form of craft work is offered in jewelry and arts and crafts classes. Contests, sponsored by various organizations, spur Howe students on to greater artistic achievements.

THE COMMERCIAL DEPARTMENT offers a complete course of study in office work and business training. Office practice, filing, book-keeping, business law, and commercial geog-

raphy constitute major classes in this department. Filing pupils alphabetize program and nativity cards. Students making outstanding achievement in typing and shorthand receive recognition by having their names engraved on plaques which were donated by the Irvington Lions Club. These plaques hang in the typing and shorthand rooms.

GOOD ENGLISH IS the foundation of a modern education. The English Department offers four years of grammar and literature as well as courses in speech, dramatics, and lip reading. English III and V emphasize vocational planning. Pupils study English litera-

ture in English IV and VIII. English VI students read American literature. Journalism is also offered to interested students maintaining an A average in all courses. Advanced English classes prepare students for college entrance.

Howe's well-equipped library contains all types of books for all types of bookworms. Fiction, reference, and technical books are just a few of these. Pamphlet and picture files are kept for reference. There are current magazines for Howeites' use. Miss Dorothy Brown is head librarian.

Directing Howe's productions, Mr. Darrell

Gooch can often be heard calling, "On stage, everybody!" Mr. Gooch manages all Footlight Revelers' plays, senior plays, operettas, and Pleasant Run Revues. Planning assembly programs is also one of his major tasks.

HOWE'S HOME ECONOMICS Department's curriculum includes courses in cooking, social practice, and clothing. Members of the clothing classes present a style show annually for the P. T. A. and all Howe girls. Advanced foods classes prepare and serve meals for the faculty.

WOODSHOP, METAL SHOP, printing, and mechanical drawing are in the curriculum of

the Industrial Arts Department. Woodshop students make lamp bases, end tables, and bookcases. Beginning students in metal shop work with sheet metal, while the more advanced pupils make hand tools, run lathes, and do repair work. Boys in the printing classes are responsible for the many printed forms used throughout the school.

Mr. Roscoe Pierson, of the Industrial Arts Department, serves as coach of Howe's newly organized baseball team.

THE LANGUAGE DEPARTMENT sponsors imaginary trips to other lands. These may be either in the form of classes or in conversational language clubs. Latin and Spanish students learn with the aid of films, slides, and records.

ALGEBRA AND GEOMETRY are the basic courses offered by the Mathematics Depart-

ment. Prospective mathematicians may enroll in advanced algebra, trigonometry, college algebra, solid geometry, and business arithmetic. Trig classes study points in surveying by measuring the school grounds. Students in business arithmetic learn the use of the adding machine.

Mr. Fred C. Lemley, of this department, is coach of our golf team.

THE MUSIC DEPARTMENT is responsible for the sweet music which keeps students' vocal chords exercised and their toes tapping. This department is one of those which "makes" Howe's reputation out of school. Students of this department present an operetta biennially, and two music festivals are given every spring.

MEMBERS OF THE girls' physical education classes participate in specialty acts in the

THE BOYS' PHYSICAL Education Department is perhaps the most appreciated of all Howe departments because of school-wide interest in athletics. Mr. Ray Bowman coaches Howe's track and cross country teams, and Mr. Samuel Kelley, athletic manager, trains our football team. Mr. Elwood Yeager, varsity basketball coach, also gives instructions in driver education. Physical education and health classes stress safety and first aid.

HOWE'S SCIENCE DEPARTMENT has courses in chemistry, biology, and physics. This year Chemistry III is again being offered. The Bausch and Lomb science scholarship is

given each year to an outstanding senior who has been enrolled in all three courses.

ANCIENT AND MODERN social studies are well-known subjects to all Howeites. Besides fundamental courses in world history, U. S. history, Latin American history, and government, psychology, sociology, and family relations are now included in the Social Studies Department. One of the important events of the year in the department is the American Legion Oratorical Contest which is open to all students. Equally important is the Mock Election held each fall to give social studies students experience in politics, campaigning, nominating, and voting.

MIKE WAGONER, PRESIDENT; Jennie Konold, Vice-President; Julia Ann Moore, Secretary; and Richard Brant, Treasurer; were selected by the 1949 class to lead them in their senior activities.

In order to qualify for these honored positions, they maintained a B average or above in all subjects, carried a credit load of four

or more solids, and received no failing marks, the approval of the principal, and the majority vote of the class.

Shown above in one of their many meetings, Dick Brant, Julia Moore, Jennie Konold, and Mike Wagoner approve of the caps and gowns which the class will wear at commencement in June.

OUR POSITION OF SENIOR became known to the world when we received homeroom assignments in the cafeteria, traditional senior homeroom. October brought class jewelry, crested rings and pins, which we proudly displayed to the underclassmen.

In addition to regular classes, much time was spent in committee work. The winter and spring party committees arranged two parties which the class will not soon forget. Class officers were installed when the ribbons were presented in December. The colors, brown, gold, and blue, were chosen by vote of the class.

College Day in December and Careers Day in March helped us to decide our future, whether or not to attend college, and, if so, where to go and what subjects to take. Scholarship tests were taken by some in hopes of gaining honors for the school and themselves.

Not all of our time was spent enjoying the glories of our final year. There were the hours of preparing for finals and struggling with the subjects which this last year brought us.

As seniors we sat in the front rows of Howe's cheering section at the sectionals and in assemblies, a place dreamed about by freshmen, hoped for by sophomores, and envied by juniors.

Work of the Vespers, Commencement and Class Day committees is just being realized by the class of '49, although their work started early.

With the playing of the "Howe Loyalty Song," June 1, 1949, our four years at Howe will have ended. Nothing can replace the memories, friends, and knowledge gained in these years. "To Howe we're loyal!"

THE WHOLE TOWN'S TALKING about "The Whole Town's Talking" or, at least, the senior class is. Many of the seniors helped make the class play a success by helping with tickets, ushering, publicity, properties, or that minor detail of being in the cast. Performances were given February 2 and 3 in the gym. The characters were:

We have finished another school year. Two hundred ninety seniors have been graduated, and one hundred ten freshmen have started on their roads to success. The athletic teams have set new records and have gained laurels for Howe. The Reveler's play has come and gone—leaving us with a memory of a job well done. Howe's sweethearts reigned on their days, and honor students

have been rewarded. Our progress was exhibited at the annual Open House and our talent displayed at the May Music Festival.

The 1949 HILLTOPPER has recalled our classes and classmates and the typical combination of work and pleasure. Holding fast to that which is good, we are living today for a better tomorrow—at Thomas Carr Howe High School.
